HOW TO CARE FOR AND CLEAN YOUR EYE PROTECTION ?

DO'S

You must place the glasses under cold water before any washing in order to remove any dust

Clean the lenses softly with our Gclean cleaning solutions or impregnated wipes

Use a clean microfiber soft cloth to dry the lenses

Always carry and store your spectacles in their protective case/pouch

Spectacles or face shields which are scratched or whose frame is damaged must be replaced

DON'TS

Never use hot water which can alter/damage the coatings (anti-reflective, anti-fog...)

Never use your clothes, fingers or general purpose tissues to clean lenses

Do not clean with any solvent, detergent or alcohol based cleaning product

Do not place your glasses with the lenses facing downward
